### Art Scholarship Application

Accomplished artist Stamatios "Nick" Burpulis, husband of Marianne Sisco Burpulis '67 and father of Marisa Burpulis '02 passed away in March 2012. Many of Nick's pieces can be seen on and around the campus of St. Hubert. One of his most notable and recognizable works to our community is the kneeling sculpture of St. Hubert in front of the deer that has been on display in the courtyard next to the main entrance for over 20 years. In appreciation for Nick's passion for and love of art, a memorial scholarship was established in his name in the Spring of 2012. The Stamatios Burpulis Memorial Art Scholarship is open to incoming freshman for the class of 2020, who demonstrate excellence in and passion for, artistic endeavors that can be supported by the St. Hubert Art Program.

#### Scholarship Requirements:

Students should submit three pieces of artwork for judging.

- The first piece should be chosen for its creativity.
- The second piece should be chosen for its technical skill.
- The third piece should contain footwear (shoes, sandals, etc.) in a composition that is both creative and technically strong.

Artwork must be presented neatly in a flat envelope and organized according to size. The artist's name, date of work, title (if applicable), and medium of work (e.g. water color, pencil), should be noted on the reverse of each entry. The basic qualities considered in evaluating each work of art are commitment, creativity, originality, elements of art, principals of design and technical skill. No folded, framed or electronic artwork. All submissions must be student's own original work.

Please complete the below application for and return along with artwork to:
